What are the best solar panel brands?

Find out what owners think of JA Solar, Jinko Solar, Longi, Solaredge and Trina Solar solar pv panels to find the best solar panel brand for you.

What are the best solar panels in the UK?

According to our findings, the brands with the best solar panels include REC Group, Sunpower, and AIKO. What is considered the "best" solar panel in the UK will vary depending on who you ask, and what metrics you value. Some homeowners may prefer a low-cost solar panel over one that's highly efficient, for example.

How do I choose a solar panel brand?

It's unusual to choose a specific solar panel brand at the outset. Instead you're likely to encounter different brand options as you get quotes from different installers. Typically, your chosen installer will buy the panels to fit on your home. Some only install solar panels from one brand, while others may install panels from a few brands.

What is the best solar panel in 2025?

Save up to £915 on your electricity bills with solar energy! The best solar panel in 2025 is SunPower Maxeon 6. The best solar panel in terms of warranty is the Project Solar Evolution Titan 445, offering a lifetime warranty of 99.9 years. Over the last few years, it has become increasingly popular to install solar panels for homes across the UK.

What are the cheapest solar panels?

At about £190 per solar panel, Sharp NU-AF solar panels are some of the cheapest solar panels on the market. While they are some of the best solar panels for a lower budget, there are also some disadvantages when it comes to Sharp NU-AF solar panels. For instance, they have a higher performance degradation rate of 0.7% per year.
