The new 12 year warranty covers: In a nutshell, the warranty covers any GivEnergy residential battery storage system installed from 11/09/2023 - no matter which specific battery and inverter model are fitted. What products does the warranty not cover? Different warranties apply for:

What is a battery pack warranty?

In the event energy throughput into (or from) the Battery Pack flows to a 3rd party or whereby such energy is activated or controlled by a 3rd party, the Battery Pack warranty will be limited to 'Fair Usage' levels equal to 10,000 cycles for consumption purposes only at the installed premises.

When does a warranty apply?

Warranties apply once the system has been fully commissioned. (I.e., not purchased, not installed, but commissioned.) So, commissioning photos should be sent through, accounts created, etc. Please note: every system must be commissioned within 30 days of installation.
