

What are the top ranked capacitor companies?

This section provides an overview for capacitors as well as their applications and principles. Also, please take a look at the list of 42 capacitor manufacturers and their company rankings. Here are the top-ranked capacitor companies as of January, 2025: 1. CDE, 2. Vishay Intertechnology, Inc., 3. United Chemi-Con.

Who makes optimal power capacitors?

CDE, founded in Liberty, SC in 1909 is a manufacturer of optimal power capacitors. The company's product portfolio includes electrolytic capacitors, mica capacitors, AC film capacitors, DC film capacitors and Power Factor Correction Capacitors.

How big is the capacitor solutions providers market?

The global capacitor solutions providers market is projected to soar, reaching an estimated valuation of USD 61.1 billion by 2032. This growth, anticipated at a CAGR of 6.20 percent from 2023 to 2032, is driven by several factors.

Why are capacitor manufacturers important?

Most older companies were founded during the AM radio era, which includes the World War II era and post war era. As the demand for advanced electronics continues to grow, the role of capacitor manufacturers becomes increasingly vital, supporting crucial domains like consumer electronics, power systems, automotive technology, and telecommunications.

What are the different types of capacitors & subsystems?

Capacitors are divided into basic materials such as aluminum electrolytic, ceramic, film, and tantalum. Magnetics are divided into functions with inductors, transformers, and rotors as subsections. Resistors & Subsystems are also divided by function and design with resistors, filters, position sensors, and mechanics & subassembly.

How long does a capacitor last?

General capacitors are specified at 105°C for 2,000 hours. If the ambient temperature drops by 10°C, the service life is 4,000 hours, and if the ambient temperature drops by 30°C, the service life is approximately 1.8 years. Capacitors also self-heat due to electric current.

The domestic market of the company's products comprises customers in fields such as the marine, appliances industry, medicine, automotive manufacturing, etc. ... The above ...
