

Does South Africa have a lithium-ion battery manufacturer?

While South Africa has no lithium-ion battery cell manufacturers, several companies are involved in battery pack assembly. Demand for all types of batteries is also expected to come from the rollout of renewable energy projects.

Where to buy lithium batteries?

Where you buy your lithium batteries will likely depend on the application and type of battery you need. For instance, you can find AA lithium batteries in most brick-and-mortar stores. But 12-volt deep-cycle lithium marine batteries and RV lithium batteries aren't as commonly found.
